ADORN

ADORN

Elevate your everyday style with luxe metallic leaf. This large-scale design is inspired by the ancient Japanese art form of Kintsugi, or golden repair, that creates something stronger and more unique than originally existed. See the inherent beauty in a range of glamorous and neutral metallic colorways.

THE ART OF HANDCRAFTED

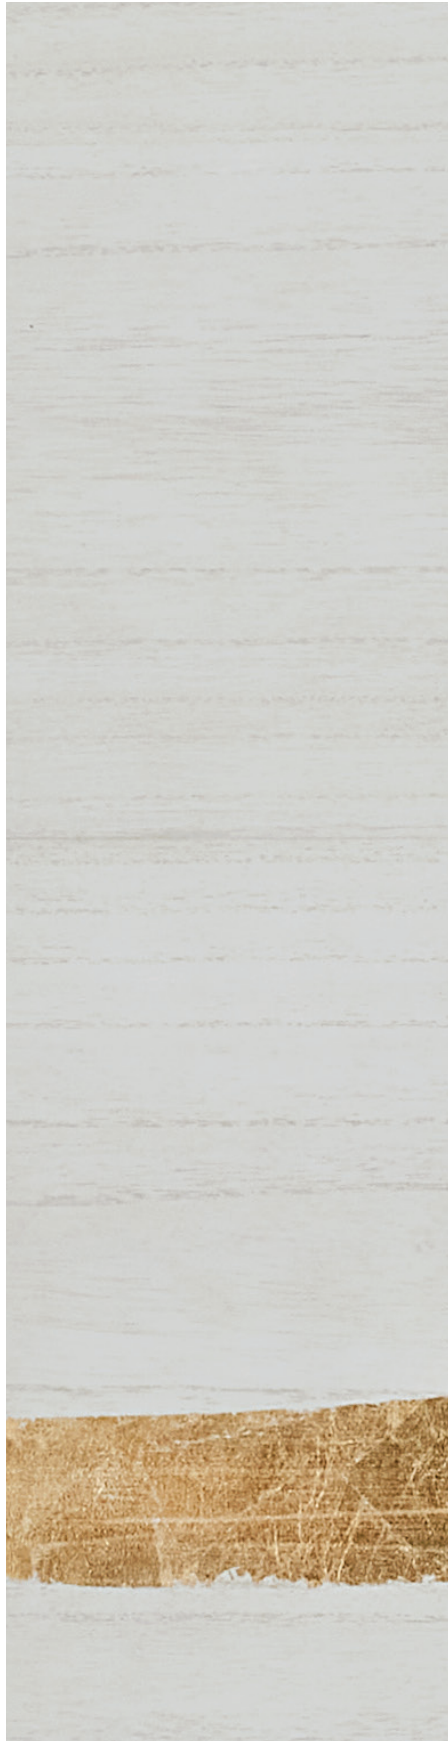

In the spirit of Kintsugi and the art of mending broken pottery, skilled artisans cut and lay luxe metallic leaf in an organic, linear design on pieces of authentic wood veneer. Then the expansive 6-panel design is pressed and laminated to perfection.
